

Town of Croghan
Spoils, Hauling and Dumping

To save time and money ditching material, blasted rock and material dug out of roadbeds, that is unusable to the Town shall be discarded at a reasonable site as close to the road job as possible. These landowner sites may be pushed off with Town equipment to allow more material to be dumped and leveled.

The Highway Superintendent will use his best judgment in each instance.

State of New York
County of Lewis
Town of Croghan – Regular Meeting – June 16, 2014
